

**Nobody ever asked if you wanted  
third degree burns with that.**

**MISSION:  
ZERO**

Did you know that 8,000 young people were injured on the job in Saskatchewan last year? Some of them never returned to work.

Even one workplace injury is too many.

It's up to every employer and every worker to help us eliminate injuries and achieve Mission Zero.

*Zero injuries. Zero fatalities. Zero suffering.*

**WorkSafe**<sup>™</sup>  
SASKATCHEWAN

*Work to live.*
