Learn how to "Have a Safe Summer!" at the 2010 Summer Safety Festival, presented by the Saskatchewan Safety Council together with WorkSafe Saskatchewan and other provincial safety organizations.

The festival is a great opportunity to learn tips on summer safety, whether it's on the water, at the campsite, travelling on the road, or riding a motorbike.

For more information about the festival or summer safety, call the Saskatchewan Safety Council at (306) 757-3197 or visit [www.sasksafety.org](http://www.sasksafety.org).
