Participants are asked to download the Act & Regulations to their tablet, e-reader, laptop or similar device ahead of time and bring it with them to class. Phones are not recommended due to screen size and the amount of class time spent utilizing the devices. Paper copies of the Act and Regs will now be available in the classroom for reference only for those who do not have a device or prefer to use a book.

The link to download can be found on each session's EventBrite registration page.
