

# Slips, trips and falls can have a **lifetime impact.**

**Diagnosis:** Traumatic brain injury  
**Recovery time:** 3 months – lifetime  
**Lifetime impact:** Debilitating headaches

**Slips, trips and falls are the second leading cause  
of serious workplace injuries in Saskatchewan.**

**Don't rush –  
take your time.**

**Check your surroundings,  
even for regular everyday activities.**

**Practice good housekeeping  
and keep walkways clear.**
